Skills:

- Terminal
- Gulp
- Node.JS
- JavaScript
- CSS3

- HTML5
- React.JS
- jQuery
- Sass
- Responsive Web Design

- Express
- Trello
- API's
- Agile methodology
- Git

Work History:

The Iron Yard   October 2016-February 2017
Front-End Developer

- Worked at the coding boot camp to learn the foundation of front-end development including: HTML5, CSS3, JavaScript and React.
- Built and deployed multiple web applications and learned about responsive design, web standards and agile methodologies.
- Utilized Trello to organize and prioritize projects in a collaborative team environment.
- Worked within groups of different expertise and experiences to learn how to approach problems from multiple angles.
- Utilized GitHub, Terminal, Gulp, Node.JS, JavaScript, CSS, HTML, React.JS, jQuery, Sass and Responsive Web Design in applications.

Key Project:

https://beer-me-finder.herokuapp.com/#/- In this project technical skills were utilized to build a web application that pulled a brewery and Google Maps API to showcase the breweries near the user. The application also displayed the brewery's beers sorted by IBU and ABV levels.

Tools: HTML5, CSS3, JavaScript, React.JS, Sass, Express, Node.JS, Gulp

Pinnacle Group   May 2011-October 2016
Technical Recruiter/Delivery Manager

- Primary responsibilities included identifying, securing and directing consulting resources to implement client strategies.
- Brought in over $715,383 in GM and over $5,543,457 in revenue throughout tenure.
- Led a team of onshore and offshore recruiters to meet performance recruiting goals.
- Identified qualified IT candidates to provide a continuous flow of quality profiles into the internal database and to effectively build a pipeline of candidates for technical skill sets nationwide.
- Sourced candidates for assigned requirements through the internal database, external job boards and additional resources.

Education: Additional Honors:

The Iron Yard   Eagle Scout
Coding Boot Camp - Front-End Development

University of North Texas
Bachelor of Arts in Advertising
